**Want to try Rallycross?????**

There are several options when it comes to getting started in Rallycross, one of the best ways is to HIRE a car. All you require is your own safety gear and a minimum MSA non race national b license. The Great news is there are no requirement for an ARDS test or medical and driving in Rallycross events can start from 14 years old! If you are interested in hiring a car, contact the championship manager John Rook, who will put you in touch with the right people and teams.
